PALGRAVE CONNECT presents libraries with a flexible approach to building an ebook Collection with over 12,500 titles offered in the Humanities, the Social Sciences and Business. Our ebooks are published and uploaded simultaneously with the print edition.

palgraveCONNECT

A flexible approach to building your library's digital collection.

Palgrave Connect now offers access to over 12,500 scholarly ebooks in twelve subject areas across the Humanities, the Social Sciences and Business publishing in print from 1989-2014 as well as four Reference Resources. Featuring seminal and award winning titles by many of the world's foremost academic writers, the collections offer libraries access to quality scholarship in a digital format. Some benefits include:

- **Perpetual** access rights
- **Simultaneous print and online program** with new frontlist titles added weekly
- **Unlimited concurrent access**, both remotely and on site
- **Permissive DRM** with ability to print, copy and download
- **EPUB format available** for all ebooks from 2011 onward (in addition to PDF) for compatibility with e-readers
- **Integrated and discoverable content** including OCLC or free MARC21 records plus compatibility with MetaLib Knowledge Base and Serials Solutions' SUMMON, Ex Libris' Primo Central and OCLC WorldCat Local. EBSCO Discovery Service - coming soon.

In addition to yearly subject Collections, we also offer our **Build Your Own Collections** model on Palgrave Connect. Using our specially designed **Connect Acquisition Portal (CAP)**, librarians are able to receive real-time quotes for purchasing titles on the Build Your Own Collections model. See pages 8 - 9 for even more of the benefits offered through this user-friendly ebooks acquisition tool or visit: www.palgrave.com/connectbyo

breaking the boundaries of traditional scholarly communication

“ palgrave▶pivot meets a need for timely research in the digital world... as we know, ‘speed’ and ‘innovation’ are key in the current world of scholarly research ”

- Jane Fitzpatrick, Acquisitions Librarian, CUNY Graduate Center, USA

Launched in October 2012 and publishing across the Humanities, the Social Sciences and Business, palgrave▶pivot introduces an innovative new format for scholarly research. Liberating scholarship from the straitjacket of traditional formats and business models, palgrave▶pivot offers authors the flexibility of publishing at lengths between the journal article and the conventional monograph. palgrave▶pivot titles are published primarily in digital format and as such will emphasize speed of delivery as well as innovation. palgrave▶pivot titles will publish within 12 weeks of acceptance after full peer review.

“ As scholarly publishing evolves in the digital world, palgrave▶pivot allows us to deliver quality new research rapidly. palgrave▶pivot is a market-changing initiative for the Humanities and Social Sciences and presents our communities with an alternative publishing model. We are proud to be at the forefront of development in the digital space. ”

- Samantha Burridge, Executive Director at Palgrave Macmillan

palgrave▶pivot publications are available to purchase via Palgrave Connect within **Subject Collections** and through our **Build Your Own Collections** models. They will be added to the Connect platform as soon as they become available and subscribers will be able to access the most up-to-date information in their field of interest with the quality of content expected from Palgrave Macmillan.

palgrave▶pivot titles have been further optimised for use on Palgrave Connect via ReadCube, an interactive PDF reader.
