McGraw-Hill E-Book Collection homepage

The screenshot shows the McGraw-Hill Education e-book collection homepage. At the top left is the McGraw-Hill Education logo. On the top right, there is a language selection menu with options for 繁體中文, 简体中文, English, and 日本語, along with links for Website and Contact Us, and a version notice: McGraw-Hill. Welcome to L&B 2.0. Below the logo is a navigation bar with categories: General, Arts & Humanity, Social Science, Science, Technology, Medicine, and News. A search bar is located below the navigation bar, with a dropdown menu set to 'All' and buttons for 'Search' and 'Advanced Search'. Below the search bar are four main sections: 'Most Popular', 'Newest', 'Featured', and 'Favorites'. Each section displays a row of e-book covers. A callout box titled 'Catalogue' points to the search bar. Another callout box titled 'Search' points to the search bar. A third callout box titled 'Interface Language' points to the language selection menu. A fourth callout box points to the 'Greening Your Home' e-book cover, displaying its details: Author: Bennett, Publisher: McGraw-Hill, ISBN: 9780071499095, and Publication Year: 2008. The footer contains copyright information: © Copyright Claim 碩亞數碼科技有限公司 © 2009 ASIAWORLD Digital Technology Co., Ltd. All Rights Reserved.

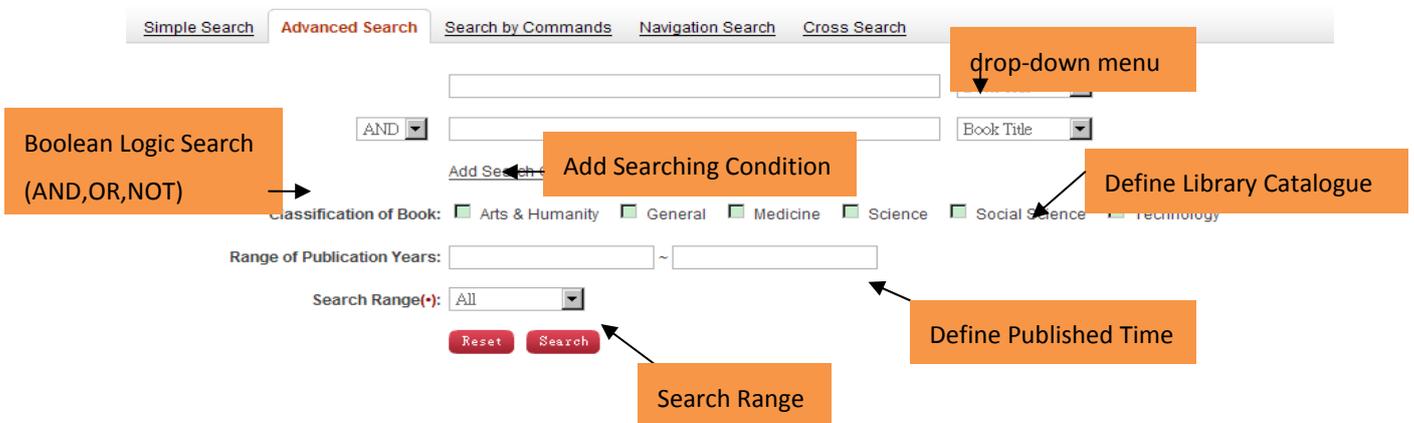

Type in key words or phrases in the search box. Select from the six main subjects of the drop-down menu and continue searching.

Simple Search

Advanced Search

SEARCH RESULT

BOOK INFORMATION

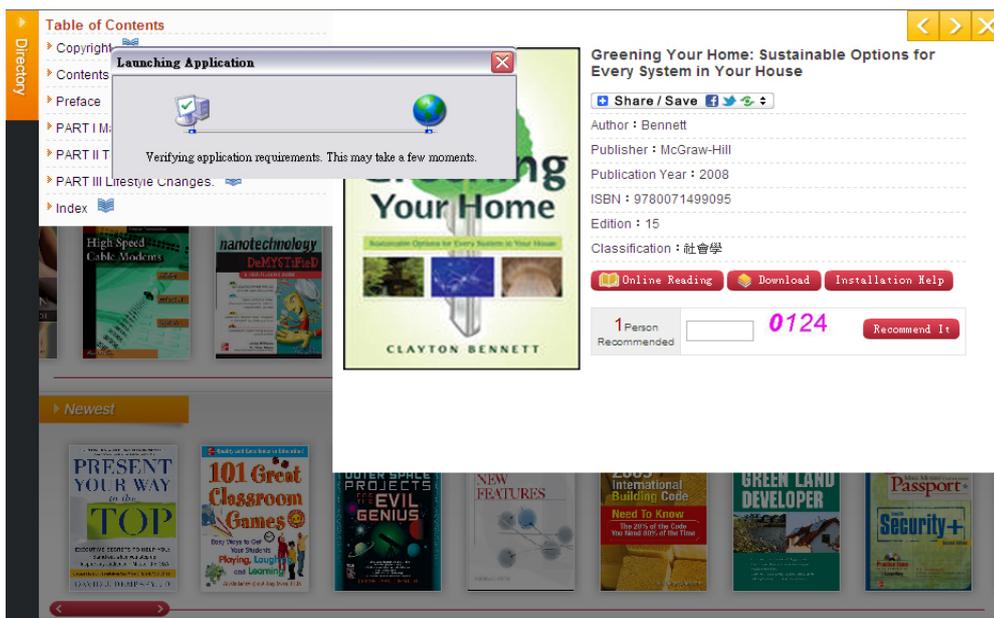

Click the book name of the . A new window would pop out and show the book information detail.

- There are two main parts in the book information detail:

1. Book copyright info: Title, Author, Publisher, Publication Year, ISBN, Edition, Classification, Read Online, Download, and Installation Help, etc..

When clicking the “Download” or “Chapter list within Table of Contents” , system will connect the eBook Reader as show as below:

SMART READER (OFFLINE READING)

When user on bibliography page, she/he can click the "Installation Help" function. The pop up window will display the installation requirement for the user

系統需求	檢查結果
Windows XP SP2 以上	請自行檢查視窗版本
IE 7 以上或 Firefox 3.5 以上(需安裝「.NET Framework Assistant」擴充套件。Firefox 4 暫不支援)	MSIE 8.0
Window Installer 3.1 以上	若未安裝，請點選 Window Installer 3.1 並安裝
.NET Framework 2.0 (3.5 版跟 3.0 版已包括 2.0)	.NET CLR 2.0.50727
MS XML Parser 4.0 以上 (建議 6.0)	Msxml2.DOMDocument.6.0
Proxy Plug-In(認證型 Proxy 環境專用)	若未安裝，請點選 SMART Proxy Plug-In 並安裝 (需要使用 proxy 才用系統管理員安裝，且須移除舊版 SmartReader)

When user on bibliography page, she/he can click "Download" function. The system will start to download the SMART READER program and install it on your computer.

The screenshot displays a digital library interface. On the left, a 'Table of Contents' sidebar is visible, with a red circle highlighting the 'Table of Contents' and 'Index' items. The main content area shows the book cover for 'Greening Your Home: Sustainable Options for Every System in Your House' by Clayton Bennett. To the right of the cover is a metadata panel with the following information:

- Author: Bennett
- Publisher: McGraw-Hill
- Publication Year: 2008
- ISBN: 9780071499095
- Edition: 15
- Classification: 社會學

At the bottom of the metadata panel, there are three buttons: 'Online Reading', 'Download', and 'Installation Help'. The 'Download' and 'Installation Help' buttons are circled in red. Below these buttons, there is a '1 Person Recommended' section with a search box containing the number '0124' and a 'Recommend It' button.

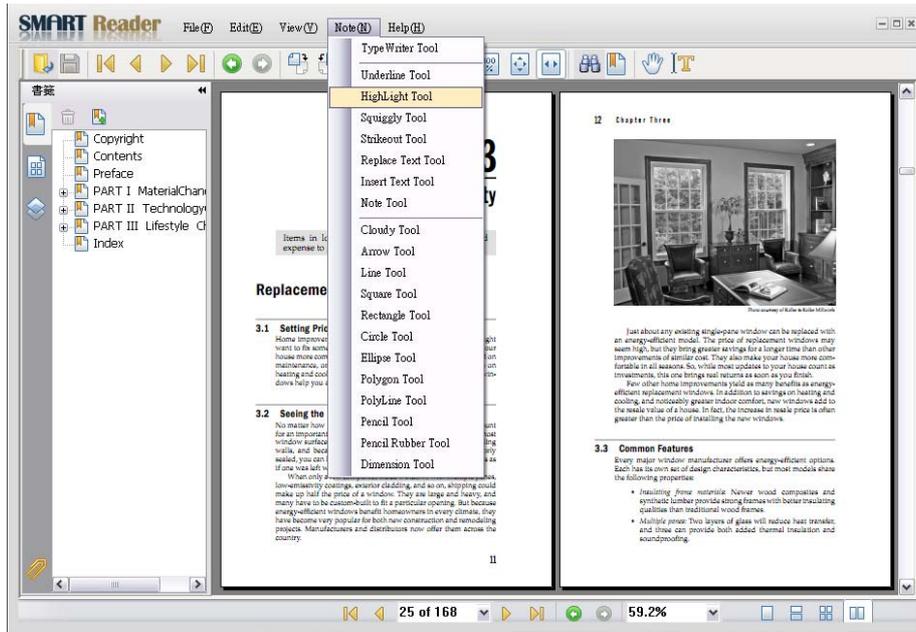

Important Function on Menu Bar

Text Input and Annotation Tool

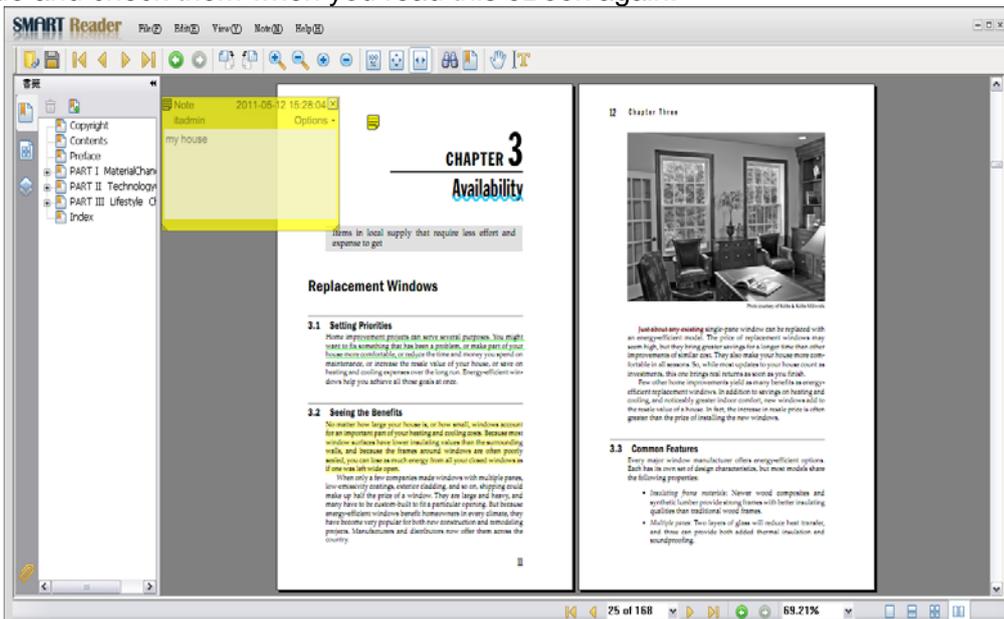

For keeping the similar usage like reading paper books, we develop special text annotation tool and various marking functions in Smart Reader.

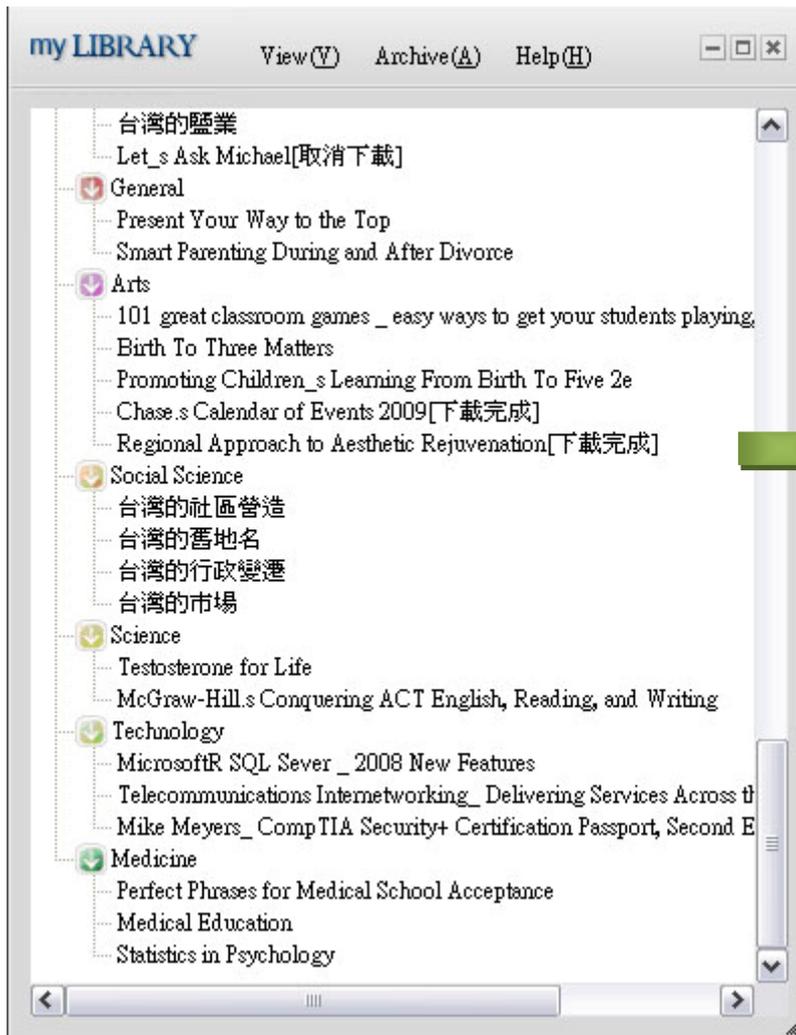

Let us show the sample below :

1. Open one E-Book title.
2. When you turn to the specific page and want to highlight some important words or paragraphs. You can choose the highlight or underline tool under drop bar of Note function in the menu list.

3. You will see the special effect like highlight if you use "Highlight Tool" to select the specific words or paragraphs. You can see the sample below:
4. Note function : Select "Insert Text Tool" within Note function and move your cursor to the place to input the text. When you finish to write your note, you can select "Save " to keep your thought within this title and check them when you read this eBook again.

1. My Library is user's personal library service in client end.
2. Program will save the full reading list and information for user.
3. User can classify and manage E-books according to personal arrangement.
4. Downloading percentage will be displayed when user download the book.
5. Every book can be viewed for 30 days.

EBOOKS READER (ONLINE READING)

When user on detail bibliography page, he/she can click "Online Reading" function and the system will launch the Online Reader immediately.

The screenshot shows a library interface with a sidebar on the left containing a 'Directory' menu with options like 'Table of Contents', 'Copyright', 'Contents', 'Preface', and 'PART I Material Changes'. The main area displays the book 'Greening Your Home' by Clayton Bennett. The book cover features a green leaf graphic. To the right of the cover is a metadata section with fields for Author (Bennett), Publisher (McGraw-Hill), Publication Year (2008), ISBN (9780071499095), and Edition (15). A 'Classification' field is set to '社會學'. Below the metadata are three buttons: 'Online Reading' (circled in red), 'Download', and 'Installation Help'. A '1 Person Recommended' section shows a counter at '0124' and a 'Recommend It' button. At the bottom, there is a 'Newest' section with various book covers.

The screenshot shows an online reader interface for a book. The top navigation bar includes 'L&B Library & Book', search, and navigation icons. The page is titled '8 Chapter Two' and 'Health II'. A large image of a Safecoat flat paint can is shown on the left. Below the image is a caption: 'Photo courtesy of American Foresting & Manufacturing'. The main text discusses indoor air pollution and VOCs, mentioning that small children, pregnant women, and people with allergies are especially sensitive. Section 2.3 'Clearing the Air' suggests using water-based mediums instead of petroleum-based solvents. Section 2.4 'Comparing Products' notes that materials used in new paints range from natural latex to clay to mineral dyes to milk case plant oils and resins. Section 2.5 'Other Surface Treatments' lists wallboard primers and wood and metal primers. A 'Resource For n buildit' sidebar is visible on the right. A magnifying glass icon with the text '點擊放大' is at the bottom right.

Please check the picture below for Online Reader function explanation.
